LOCATION

Contact 020 3952 7345 / 07786 335 974

Ripley is a quaint Norman village in the heart of Surrey, lined with pretty cottages and historic buildings and with the tranquil River Wey passing close by. Historically, a stopping-off place for those en route to London via the Portsmouth Road, it is now but a swift 30 minute journey into London, making this a go-to for those wishing to find a countryside location for their offices within easy reach of the city. The A3 and M25 are easily accessible and allow direct road access to London. Guildford Town lies 15 miles south and services the South Western Railway which runs a 30 minute direct train into London Waterloo Station.

DESCRIPTION

The property is a fully restored and renovated cow shed, practically re-built to the highest specifications but retaining the original framework and stunning, authentic features to give a modern, contemporary feel. Throughout, the property offers a sense of enviable light and space, with wooden beams supporting lofty ceilings incorporating recessed skylights, complete with electric blinds. Floor to ceiling windows offer uninterrupted views across the open spaces of Dunsborough Park.

The property comprises two adjoining pitched roofed barns. One side offers two large meeting rooms, several smaller rooms and a dedicated server room. On the other, a large open plan office and kitchen/bar/reception area dominate, with WC/shower/laundry room as well as a separate disabled WC. Sympathetically fitted in its entirety with top of the range fixtures, durable oak effect floor tiles with electrical floor boxes and underfloor heating throughout.

ACCOMMODATION

An ideal investment for an owner/occupier, the sale of this freehold property is offered with or without tenancy. The plans to the right show gross internal floor area, also giving an idea of how an owner and tenancy split could work, given that the central hallway running through the property, dividing both barns, lends itself well to a natural boundary line.

The building has an EPC rating of B with a score of 47. A copy of the Energy Performance Certificate is available upon request.
